

“The Fascia Heeler” Massage Termination and Draping Policies

Massage Termination Policy:

Only professional massage and bodywork services for relaxation or therapeutic purposes are offered at this massage practice. Massage services will be terminated immediately in the event of inappropriate conduct of any kind. This includes harassment, threatening speech or behavior, sexual advances or requests, or disrespectful actions or language. A session will not be conducted if the client is under the influence of drugs or alcohol. If the massage is terminated for any of these reasons, full payment for the scheduled session is still required.

Draping Policy:

Clients will be appropriately draped with a sheet and/or towel at all times during their massage. Only areas of the body that are being treated will be exposed. *The following only applies to a SARGA BODYWORK® session:* In a prone position, the client will have their arms, hands, legs, feet, lateral glutes and back undraped at the same time. If you are uncomfortable with having your glutes massaged bare, you are welcome to wear underwear, and I can tuck the sheet into the sides of your underwear to expose the lateral glutes so they can still be massaged. I can also do glute compressions completely over the sheet and not undrape them instead, as an alternative to massaging them. In a supine position, the client will have their arms, hands, legs, feet and upper chest undraped at the same time. This allows for an easier and smoother flow during a SARGA BODYWORK® massage. The breast, abdominal and genital areas will always remain draped and are never massaged.

By signing this form, I acknowledge that I have read, understood and agreed to abide by the policies outlined above.
